PUZZLE SYSTEM  
MADE THROUGH  
HIGH PRECISION CUT

TESTED, PATENTED  
JOINT SYSTEM

The **ProGame Basic Plus Tatami** is a good solution for every type of workout and basic training activities. It is a versatile tatami, which combines the compactness and good grip of the external layers with the comfort deriving from polyethylene foam placed as an intermediate layer to give the product safety, a good impact absorption coefficient and long-term durability.

The locking system with 6cm wide joints and the rice straw pattern on the surface provide quick installation and unbeatable grip.

## USAGE

### FOR ALL LEVELS

A good quality product for training and workouts at all levels

## COMPOSITION

### PE

High density polyethylene reticulated crosslinked foam for the outer layers with an inner core of lower density crosslinked polyethylene foam that increases the comfort of the tatami
